Re: Wrongful Termination and Breach of Contract — Jane Smith

DEMAND FOR SETTLEMENT

We represent Jane Smith in connection with her claims arising from her wrongful termination on December 10, 2023. This letter constitutes a formal demand for settlement prior to the commencement of litigation.

SUMMARY OF CLAIMS

Ms. Smith was employed as Senior Software Engineer under a written agreement requiring 90-days notice before termination. Her termination followed her good-faith report of accounting irregularities to the Audit Committee on November 5, 2023 — a textbook retaliatory discharge.

DEMAND

We demand payment of \$750,000 within 21 days of this letter, representing lost wages, unvested stock options, and compensatory damages. If we do not receive a satisfactory response by February 5, 2024, we will file suit without further notice and seek punitive damages and attorneys' fees.

Sincerely,

Morrison & Foerster LLP
Counsel for Jane Smith
