CLASS ACTION COMPLAINT

Jane Smith, on behalf of herself and all others similarly situated, Plaintiff,

v.

Global Tech Inc., Defendant.

Case No: 2024-CV-009901 | Filed: May 15, 2024

NATURE OF ACTION

Plaintiff brings this action on behalf of a class of former Global Tech Inc. employees who were terminated within 12 months of reporting accounting irregularities or other compliance concerns to the Audit Committee. The class period is January 1, 2020 through the present.

CLASS DEFINITION

The proposed class consists of all current and former Global Tech Inc. employees who: (a) made a protected disclosure to the Audit Committee; and (b) were terminated within 12 months of such disclosure; and (c) received no severance package exceeding four weeks' salary.

NUMEROSITY AND COMMONALITY

Based on information obtained in discovery in Case No. 2024-CV-005678, Plaintiff has identified at least 23 putative class members. Common questions of law include: whether Defendant's termination practices constitute a pattern of retaliation; and whether Defendant's failure to maintain a compliant whistleblower policy constitutes a violation of Sarbanes-Oxley Section 806.

RELIEF SOUGHT

Class-wide damages estimated at \$18,500,000. Injunctive relief and audit of HR practices.
